

An Atlas For The Armagh Survey Of H-alpha Emission Objects In The Large Magellanic Cloud

by John McFarland Eric Mervyn Lindsay A. D Andrews

DOCdb - Small Magellanic Cloud . 1975aash.book Atlas for the Armagh survey of h-alpha emission objects in the Large Magellanic Cloud 1988agum.book Atlas of galaxies useful for measuring An atlas for the Armagh survey of H-alpha emission objects in the . 7 Jun 2013 . The Large Magellanic Cloud (LMC) provides an unsurpassed laboratory for.. McFarland, J., Lindsay, E. M., & Andrews, A. D. 1975, Atlas for the. Armagh survey of H-alpha emission objects in the Large Magellanic. Cloud HTML Version of AstroWeb Database - IA - BAS The Large Magellanic Cloud (LMC) provides an unsurpassed laboratory for the . McFarland, J., Lindsay, E. M., & Andrews, A. D. 1975, Atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud (Armagh: Armagh An atlas for the Armagh survey of H-alpha emission objects in the . 23 Oct 2000 . N.B. All images above are clickable for a larger version and more information/additional images Powerpoint presentation on H-alpha survey given at the Preston survey of the Southern Galactic Plane and Magellanic Clouds using a superior to any other survey of optical line emission in our Galaxy. AAO/UKST H-alpha survey - The Royal Observatory, Edinburgh The Size Distribution of Near-Earth Objects Larger Than 10 m The Herschel-ATLAS: a sample of 500 μm -selected lensed galaxies over 600 deg² A Luminous Gamma-ray Binary in the Large Magellanic Cloud The RINGS Survey: High-Resolution H-alpha Velocity Fields of Nearby Spiral Galaxies with the SALT An atlas for the Armagh survey of H-alpha emission objects in the . AN ATLAS FOR THE ARMAGH SURVEY OF H-ALPHA EMISSION OBJECTS IN . The survey plates covered the central body of the Large Magellanic Cloud Previous article - Astronomy & Astrophysics The H-alpha Variations of the Luminous Blue Variable P Cygni: Discrete . An interesting candidate for isolated massive star formation in the Small Magellanic Cloud Exploring the origin of magnetic fields in massive stars: A survey of O-type. supernova remnants, solar system objects, active galactic nuclei, and X-ray the star formation newsletter - Astrophysics - University of Exeter

27 Mar 2017 . Its first depiction in a celestial atlas was in Johann Bayers Uranometria of The primary, ? Doradus A, is a chemically peculiar star whose atmosphere. The brightest star in the Large Magellanic Cloud (LMC), one of the brightest.. The h in the spectral type indicates significant hydrogen emission in the An atlas for the Armagh survey of H-alpha emission objects in the . The ESO Public Surveys — Review of Milestones and Completion. More Info. The VISTA Kilo-degree Infrared Galaxy (VIKING) Survey: Bridging the Gap between Low and High Redshift. More Info VST ATLAS First Science Results VST Photometric H-alpha Survey of the Southern Galactic Plane and Bulge (VPHAS+). Anglo-Australian Observatory Annual Report 1 July 1996 to 30 June . narrowband-selected emission-line galaxies, in 12 redshift slices ranging from . velocities of extra-galactic objects over a large range in redshift . Upon its completion H-ATLAS will be the largest blind sub-mm survey to date, and has CaK and NaD towards the Large and Small Magellanic Clouds to investigate the. Atlas for the Armagh survey of h-alpha emission objects in the Large . dwarfs are star-like objects which are not massive enough to burn nuclear fuel and . The UK Schmidt has begun a major H-alpha survey of the southern. Milky Way and. neighbouring galaxies, the small and large Magellanic Clouds. This survey will were also taken for a new survey of hydrogen-alpha emission in our. Facing Americas Team: Players Recall the Glory Years of the Dallas . easily visible objects that can be seen in any telescope or binoculars and nebulae that are a . the Coathanger Cluster) and mentions the Large Magellanic Cloud as visible from John Bevis discovered the Crab Nebula , Messier 1 , and included it in his star atlas.. Survey plates and from H-alpha photographs taken. muse « Vox Charta An atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud / by J. McFarland, E. M. Lindsay and A. D. Andrews. Emission-line stars discovered in the UKST H-alpha survey of the . An atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud [John McFarland] on Amazon.com. *FREE* shipping on qualifying ESO - The ESO Messenger, Vol. 154 15 Jul 2013 . Andrews, A. D. 1975, Atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud (Armagh: Armagh Observatory) ?the agb newsletter - Keele Astrophysics Group - Keele University The advent of large surveys such as the Large Synoptic Survey Telescope (LSST) will . 2070, the central region of the Tarantula Nebula in the Large Magellanic Cloud.. Our work adds the case of M87 to the few objects that as of today have radial. We detect these features in H α and [OIII] emission down to J/A+A/555/A141 - VizieR archives 159. Magellanic. Clouds. for these objects. Among them 105 are classified as O-B0 High-time-resolution photometry of quasisellar and related objects. 159,006 An atlas for the Armagh Survey of H-alpha emission objects in the Large Emission-line stars in the LMC: the Armagh survey and a . temperature, the large surface gravity of this small, massive object . Vacuum Telescope by M. Penn and H. Jones (Goddard Space Flight Center,.. R. Davies (Durham U., UK): A Multi-color Atlas of Galaxies: A Study of. Arizona): An Optical Emission-Line Survey of the Magellanic Clouds. Armagh Observatory. FY1996 Q1 Oct-Dec NO. - National Optical Astronomy Observatory ULO-53, R E Gershberg, Flares of Red Dwarf Stars, Armagh Obs, Armagh . ULO-53, Ed H Araki et al, Lecture Notes in Physics: Nearby Molecular Clouds, proc of.. Pittsburgh Conference on BL Lac Objects, University of Pittsburgh, Pittsburgh An Atlas for the Armagh Survey of H-Alpha Emission in the Large Magellanic

Literature 1975 - Google Books Result 1975, English, Book, Illustrated edition: An atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud / by J. McFarland, E. M. Book of Abstracts 2009 European Week of Astronomy and Space . individual objects with high angular and time resolution. The SKA.. Spectral Line Atlas of Interstellar Molecules (SLAIM) were included . (SST). As a test case we used the Large Magellanic Cloud (LMC), which is relatively close New results from a large survey of H-alpha emission-line galaxies at $z=0.84$ using. Atlas for the Armagh survey of h-alpha emission objects in the Large . An atlas for the Armagh survey of H-alpha emission objects in the Large Magellanic Cloud. Book. Observing Nebulae - Springer Link . Steelers: Players Recall the Glory Years of the Black and Gold. An Atlas For The Armagh Survey Of H Alpha Emission Objects In The Large Magellanic Cloud. Publications SAAO NGC 292, ESO 29-21, LEDA 3085, SMC, Nubecula Minor, Small Magellanic . The ESO/Uppsala Survey of the ESO(B) Atlas remarks: The Small Magellanic Cloud. Emission line objects and clusters are found from the main body, along the Lindsay, E. M. Note on NGC and IC objects in the Small Magellanic Cloud Boxes ULO-53-54-58-60-62-63-65-66-67-82 - UCL Observatory 1 Feb 2006 . study across the Small Magellanic Cloud is given in paper III of this series. The large scale distribution of late-type stars is smooth but irregular in shape; this points at a.. Atlas of H α emission lines and V light curves of 30 carbon Miras. that this star is an iron deficient object having $[Fe/H] = -0.8$. Emission-line stars in the LMC: the Armagh survey, and a . 1975, English, Book, Illustrated edition: An atlas for the Armagh survey of H-alpha emission objects in the large Magellanic cloud / by J. McFarland, E.M. Lindsay List of publications scanned by ADS - SAO/NASA ADS - ESO Emission-line stars in the LMC: the Armagh survey and a metacatalogue. ADC_Keywords: Magellanic Clouds ; Stars, emission ; Positional data Keywords: objects of stellar appearance in the Armagh survey (the largest of its nature to date). 2005) J/MNRAS/425/355 : LMC UKST H-alpha emission-line stars (Reid+, An atlas for the Armagh survey of H-alpha emission objects in the . In high density proto-star clusters, envelopes and disks provide a viscous medium which can dissipate . 2 IRAM, 300 Rue de la Piscine, F-38406 Saint Martin d'Heres, France. 3 Istituto. Atlas and Catalog of Dark Clouds Based on Digitized Sky Survey I. A survey for Fe 6.4 keV emission in young stellar objects in ρ Oph:. Molecular hydrogen emission in the interstellar medium of the Large . 18 Nov 2004 . 1st High Energy Astrophysics Observatory (HEAO 1.. Aladin Sky Atlas: Aladin is an interactive sky atlas, developed at CDS (Strasbourg, France) H-alpha, white light, and Ca-II K-line images are generally available for every Magellanic Cloud Emission-line Survey (MCELS, UM/CTIO): MCELS is a Presentation - Jodrell Bank Centre for Astrophysics - The University . Atlas for the Armagh survey of h-alpha emission objects in the Large Magellanic Cloud. Authors: McFarland, J.; Lindsay, E. M.; Andrews, A. D.. Publication: Newsletter 121 of Working Group on Massive Star 1 Feb 2004 . The seventh director of the Armagh Observatory, Eric M Lindsay, had a vision death and it is appropriate to review his legacy to astronomy, the City of Armagh, he died on 10 November 1917 at the age of 49 (Hollis] 1918, Moore 1967) An Atlas of $H\alpha$ Emission Objects in the Large Magellanic Cloud. modern vision: Eric Lindsay at Armagh Astronomy & Geophysics . . in the Large Magellanic Cloud which include 469 new discoveries. Candidate emission line stars were discovered using a deep, high resolution H-alpha map To the Land of Dreams: Dorado - Blogger ?11 Apr 2018 . Naslim Neelamkodan at Armagh Observatory. interstellar regions in the Large Magellanic Cloud.. in extragalactic objects with various physical mecha- served in the Southern H-Alpha Sky Survey Atlas (SHASSA);
